

Introducing 24kWealth

24kWealth is a well-respected financial consultancy firm with a reputation earned over the past 20 years for getting the job done and for acting with honesty and integrity in the best interests of our clients.

We operate a value-based high net worth financial planning model where what the client wants out of their future and finances comes before anything else.

At the heart of our model runs our philosophy that life should be about choice, not compromise.

Who needs our financial advice?

Are you nearing retirement?

It takes five years to structure for retirement due to government regulatory requirements.

Do you have complex financial structures?

Do you have large debt exposures?

Do you have asset protection or estate planning concerns?

Is your super working for you or the industry funds?
